SAAM DAY · 28 OCTOBER 2026 · BLUEFACTORY, FRIBOURG

Afternoon

Use cases, deployment workshops and next steps

SAAM Swiss Association for Autonomous Mobility | VNL Schweiz Verein Netzwerk Logistik

13:30 — **Use Case Presentations**

Yards · Long haul · Urban logistics · Last mile. Opportunity, readiness, blockers, AV deployments.

Fabian Kritter · Embotech **Michael Zehmisch** · MAN
Lara Amini · LOXO **Yong Gessner** · Neolix

14:00 — **Deployment Workshops: What Can Switzerland Scale First?**

Four breakouts, one per use case. One mission: could this use case be deployed commercially in Switzerland within two to three years, and what would it take? Outputs on one poster.

Use-case leads

15:00 — **Plenary Wrap-Up: Results of the Workshops**

Three-minute pitch per group, followed by discussion in plenum.

Use-case leads

15:30 — **Closing: What Happens Now?**

Concrete next steps and launch of the AV Logistics Working Group.

SAAM + VNL

Networking Apéro & Vehicle Showcases — from 15:30
